

WELCOME TO THE  
“ACRESFIELD EXPERIENCE”

## MEMBERS HANDBOOK

*We have drawn up this membership handbook to provide you with general information about our facilities and the rules which we have put into place to ensure the safety and wellbeing of all.*

All of our members are issued with an access wrist band. This band allows access to the building, to the lockers within the changing rooms and to the lockers on the upper floor close to the entrance to the gym. There is a fee payable for the replacement of lost, stolen or damaged bands. Upon termination of your membership you are required to return your membership band to Acresfield Health Club and Spa.

For those using the facilities between 6.30am and 9am during the week you will need to swipe your wristband across the access reader within the entrance lobby to gain access to the building. From 9am you must use the access reader on the Reception desk. All members are required to have an initial photograph taken at the Reception to prevent abuse of our access system.

Membership is only valid for the named member and cannot be used by anyone else. Therefore you cannot give your membership band to anyone else. If you give your membership band to anyone else then you run the risk of having your membership cancelled immediately without any refund.

The Club reserves the right to refuse entry if a valid membership band is not produced on entry to the Club.

Opening times will be posted on our website [www.acresfieldleisure.co.uk](http://www.acresfieldleisure.co.uk) and on the information screen within the Foyer. You will be notified by email of any changes to the standard opening hours giving as much notice as possible.

# CHILDREN'S SWIMMING POLICY

We want everyone to have a great time in our swimming pool—every time! But we need to make sure that everyone is kept safe. Please read this policy carefully if you are bringing children to our pool and thank you for your co-operation and understanding.

The purpose of a children's admission policy is to help safeguard that group of pool users who historically are most at risk in the swimming pool. It is not intended to prevent children from having fun and enjoying the exercise and the socialising aspects of swimming and its benefits in health terms. Nor is it intended to make life difficult for parents/carers.

National guidance has been drawn up by the Institute of Sports and Recreational Management after extensive consultation with managers, parents and with other key organisations involved in swimming and child safety. By following the guidance we can with the help of parents/carers ensure the wellbeing of our children.

**Any child under the age of 5 MUST be accompanied in the pool at all times by a competent adult at a ratio of 1 to 1. Children between the ages of 5 and 12 must be supervised in the swimming pool by an adult at all times—an adult can be responsible for a maximum of 2 children. This can be increased to three children if the third child is between the ages of 12 and 16. The ONLY exception to this rule is when a child is participating in an organised swimming lesson.**

Children may only use the swimming pool at "swim for all" and dedicated children's swimming sessions. Please refer to the pool timetable.

If a child vomits or soils within the pool a £75 charge may be enforced for cleaning. In any of these cases the swimming pool will have to be closed for a minimum period of 3 hours.

**CHILDREN'S SWIMMING TIMES : 9AM UNTIL 6PM MONDAY TO FRIDAY INCLUSIVE AND DURING OPENING HOURS ON A SATURDAY AND A SUNDAY. THE ONLY VARIATION TO THIS IS WHEN THE POOL IS IN USE BY WATER BABIES. TIMES MAY ALSO CHANGE ON BANK AND PUBLIC HOLIDAYS. PLEASE CHECK THE DAILY SCHEDULE.**
